

STANDARD TERMS AND CONDITIONS OF SALE

All quotations by DMG MORI SINGAPORE PTE LTD. or its related corporations and affiliates (collectively "DMG MORI"), all Buyer's purchase orders, and all confirmations or acknowledgments of Buyer's purchase orders by DMG MORI are subject to written acceptance and acknowledgements delivered by DMG MORI in order to become a valid agreement between the Buyer and DMG MORI (the "Agreement"). The Buyer and DMG MORI acknowledge and agree that such Agreement is made subject to the terms and conditions of sale set forth below. In the event of any inconsistency or contradictory terms between these standard terms and conditions of sale and those of the Buyer, these standard terms and conditions of sale will prevail. The "Buyer" referred to herein includes authorized DMG MORI distributors and customers.

1. SALE PRICES

Unless otherwise noted, all prices quoted are subject to change without notice. Unless otherwise stated, all prices are FOB port of shipment. Prices do not include sales, use, excise, VAT, GST, property or similar taxes arising out of or relating to the sale or use of the equipment all of which shall be borne by the Buyer. Buyer shall indemnify and hold DMG MORI free and harmless from and against the imposition and payment of such taxes, whether or not they are stated in any invoice for equipment shipped. DMG MORI, at its discretion, may at any time separately bill Buyer for any taxes not included in DMG MORI's invoice and Buyer shall pay said taxes. Buyer is only entitled to withhold payments if and to the extent that his counter-claims are due and payable and are undisputed by DMG MORI or have been established by a final non-appealable court decision. Buyer is only entitled to set off his counter-claims arising from any other legal relationships between DMG MORI and Buyer if and to the extent that Buyer's counter-claims are due and payable and are undisputed by DMG MORI or have been established by a final non-appealable court decision.

2. PAYMENT TERMS

Unless otherwise noted, payment terms are by irrevocable Letters of Credit or payment in advance. The payment schedule must be confirmed in writing by DMG MORI before the equipment can be shipped or delivered. If acceptance by Buyer (which shall not be unreasonably withheld) after delivery by DMG MORI is delayed because of conditions not related to the equipment or services provided by DMG MORI, including but not limited to delay in the provision of equipment or services by Buyer or other suppliers, Buyer will pay to DMG MORI as interest 0.4% of the total invoiced amount per week from the date of delivery until acceptance by Buyer. Receipt and subsequent bank deposit of a down payment shall not be construed as acceptance of the purchase order until said order is accepted in writing by DMG MORI. In the event of legal action to enforce the Agreement, Buyer shall reimburse DMG MORI for its reasonable costs and attorneys fees. DMG MORI reserves the right to cancel and to refuse to complete Buyer's purchases if, in DMG MORI's opinion, Buyer has not established credit to promptly meet the payment terms of the order. Acceptance and payment by Buyer with respect to the equipment delivered by DMG MORI shall not be delayed because of any delay in delivery by DMG MORI of accessory or ancillary equipment not essential to the operation of the other equipment delivered; in such event, the payment terms set forth in this paragraph shall be applicable to the equipment initially delivered as of the date of delivery and to subsequent deliveries of equipment as they occur. Upon delivery by DMG MORI to a carrier for shipment of equipment to Buyer, risk of loss shall pass to Buyer. Thereafter, the carrier shall be deemed to be acting for and on behalf of Buyer and the terms of payment for the equipment shall not be affected by damage to or destruction of the equipment sold.

3. DELIVERY

DMG MORI shall exert its best efforts to cause the equipment to be shipped and delivered in accordance with the terms and provisions of the sales contract. However, all dates stated by DMG MORI are approximate dates only; and are estimated in good faith to the best of DMG MORI's ability, commensurate with foreseeable scheduling and subject to availability of product and transit. DMG MORI shall not be liable for any loss or damage whatsoever, including loss of income and/or profits, incidental, special or consequential damages resulting from the shipment (howsoever occurring), DMG MORI's delayed performance in shipment and delivery of the equipment for any reason whatsoever. The Buyer assumes all risks related to and arising from the aforesaid. For the exceptional case where a fixed date is agreed as delivery date and delivery delay occurs provided DMG MORI is in default and damage is incurred by the Buyer—the Buyer is entitled to claim lump-sum compensation for the delay amounting to 0.1% for each full week of the delay of the value of that part of the overall delivery which, due to the delay, is not available for timeous use or proper use as agreed in the Agreement; however such compensation will not amount to more than 5% of said value. Any claims for shortages or claims that the equipment delivered is other than that which was ordered or claims for damages prior to delivery to Buyer or Buyer's agent must be made in writing to DMG MORI within fifteen (15) days after the arrival of the equipment at Buyer's plant or place of business. Buyer must accept delivery within one year of the placement of the purchase order for the equipment.

4. TITLE

DMG MORI hereby retains title in all of the equipment sold and delivered by DMG MORI to Buyer, whether presently in the possession of Buyer or hereafter acquired, and all replacement parts and components therefore, together with any and all proceeds of sale or other disposition of the property, including, but not limited to, cash, accounts, contract rights, and chattel paper until it is paid for in full. DMG MORI may enter the Buyer's premises and remove the secured property or any portion thereof. Buyer agrees to pay DMG MORI's reasonable attorney's fees, court and enforcement costs for the collection of any amounts owing to DMG MORI hereunder and for the costs incurred in the repossession of the property. If a petition in insolvency is filed, DMG MORI will be entitled to withdraw from the Agreement and demand immediate return of the delivered equipment.

5. CANCELLATIONS

Orders which have been shipped from DMG MORI or any of its affiliates are not subject to cancellation. "Special Orders," which are orders for items customized for the Buyer, are not subject to cancellation. Orders other than "special orders" that have not been shipped may be cancelled in writing by Buyer to DMG MORI but are subject to a cancellation charge or the total cost incurred by DMG MORI on account of the cancellation, whichever is greater. Orders that are cancelled within one week of the date of the purchase order are subject to a cancellation fee equal to 10% of the purchase order price. Orders cancelled more than one week after the date of the purchase order and more than 90 days before the planned shipment date from the factory are subject to a cancellation fee of 30% of the purchase order price. Orders cancelled from 90 to 61 days before the planned shipment date from the factory are subject to a cancellation fee of 50% of the purchase order price. Orders cancelled from 60 to 31 days before the planned shipment date from the factory are subject to a cancellation fee of 75% of the purchase order price. Any order cancelled within 30 days of planned shipment date from the factory will be subject to a cancellation fee equal to 100% of the purchase order price. If within one year of the placement of the purchase order for the equipment, Buyer fails to accept delivery of the equipment or fails to pay the full contract price for the equipment; DMG MORI may deem the purchase order as cancelled by Buyer and will impose a cancellation fee. Buyer will make prompt payment of such cancellation fee.

6. LIMITATION OF WARRANTY

Buyer further represents and acknowledges that DMG MORI HAS NOT MADE ANY REPRESENTATIONS OR WARRANTIES, DIRECT OR INDIRECT, EXPRESS OR IMPLIED AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE DESIGN OR CONDITION OF ANY ITEM, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OF THE MATERIAL OR WORKMANSHIP OF ANY ITEM OF EQUIPMENT, DELIVERY, DELAY IN DELIVERY OR CONFORMITY OF ANY ITEM OF EQUIPMENT TO THE PROVISIONS AND SPECIFICATIONS OF ANY PURCHASE OR ORDERS RELATING THERETO. DMG MORI MAKES NO WARRANTY AS TO MERCHANTABILITY OF THE EQUIPMENT OR ANY REPLACEMENT PART, OR AS TO ITS FITNESS FOR ANY PARTICULAR USE, INTENDED PURPOSE OR OTHERWISE. DMG MORI SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING STRICT LIABILITY IN TORT, TO THE EXTENT THAT SUCH LIMITATION IS PERMITTED BY APPLICABLE LAW. Buyer understands and agrees that DMG MORI's liability under any applicable law allowing, or applicable theory of, recovery, shall not exceed the purchase price, regardless of whether the remedy fails in its essential purpose. No legal action relating to any manufacturer's warranty relating to the equipment shall be commenced more than four years after the delivery of the equipment by DMG MORI or one year after repair efforts have ended, whichever is later. With respect to equipment and replacement parts manufactured by DMG MORI, DMG MORI assigns to Buyer and, if Buyer is a Distributor, to Distributor's customer, DMG MORI's limited warranty towards its supplier. In such case, Buyer has the right to acknowledge receipt of a copy of said warranty.

7. CONFIDENTIALITY

All drawings, designs, specifications, manuals, programs and prices or any other information furnished to Buyer by DMG MORI shall remain the confidential and proprietary property of DMG MORI. All such information, except as may be found in the public domain, shall be held in strict confidence by Buyer and shall not be disclosed by Buyer to any third parties. Buyer shall use such information only for the performance of obligations under this Agreement. If Buyer fails to comply with such provisions of this paragraph or the applicable standards or regulations aforementioned, Buyer shall indemnify and hold DMG MORI harmless from and against any and all claims, losses or damages arising from such failure in accordance with Section 16 of this Agreement. Buyer shall indemnify DMG MORI and hold DMG MORI harmless from any infringement of any patent, trademark or copyright arising from Buyer's (or any authorized end user's) use of the equipment, including but not limited to the reimbursement of costs and expenses, including attorney's fees, incurred by DMG MORI with respect to a claim of infringement.

10. TIME STUDY & DESCRIPTIONS OF EQUIPMENT

To prevent the illegal diversion of the equipment to individuals or nations that threaten international security, it may include a "Relocation Machine Security Function" that automatically disables the equipment if it is moved following installation. If the equipment is so-disabled, it can only be re-enabled by contacting DMG MORI or its distributor representative. DMG MORI shall have no obligation to re-enable such equipment and shall have no liability (including for lost profits or business interruption or under the limited service warranty) as a result thereof.
